L: Gracious God, we are thankful for Your mercy over all Your people. As we prepare to send our ASP team to a week of service, we ask Your blessings on these missionaries.

All: We pray for safe travels and fruitful work. Bless the team and their interactions with the people they meet. Bless the work of their hands - the fixing, the building, the cleaning, the helping, and the meeting of new friends.

L: In everything they do, may they do it with a spirit of love. Use them to reflect your life-giving hope. In the days to come, draw them closer to Yourself and to each other.

A: We recognize that this is not only their mission trip, but ours. For all of us here, help us to be united in prayer. Help us to be one body that seeks to bless you and brings hope to your people. We pray all this in the name of Christ, our Redeemer, Healer, and Lord. Amen.
